

170-
November 2, 1950.

Memorandum for: Mr. Altschul

From: Mr. A. W. Dulles

Attached is the curriculum vitae of Aileen
Minda Bronfman.

She impressed me as a serious and intelligent
girl and her important connections in Canada might be of
interest and use to us. Possibly you could see her at
your convenience and put her in touch with others at Radio
and we could then see whether we could work her in there
on some basis.

A.W.D.
